Systematik, Kompatibilität und vielfältige Möglichkeiten in allen Programmen

Systeme schaffen Ordnung und Überblick. Aber die Anforderungen an die Ordnung sind individuell verschieden. Deshalb müssen Aufbewahrungslösungen sowohl eine grundlegende Systematik als auch Variabilität bieten. Alle raaco-Programme zeichnen sich durch beides aus.

Flexibilität und eine Vielfalt an Möglichkeiten sind nicht nur innerhalb des einzelnen Systems gegeben, sondern ziehen sich quer durch die Programme. Geboten wird eine große Anzahl von Kombinationsmöglichkeiten zwischen Regalen, Einsätzen, Boxen, ToolCase usw., und zwar sowohl stationär als auch unterwegs.

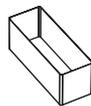

Die große Auswahl an Einsätzen ermöglicht eine Individualisierung Ihres raaco Produktes nach den jeweiligen Anforderungen, Bedürfnissen und Wünschen.
